

**Key:**

**General traffic:**

- Junction capacity improvement
- Link capacity improvement (with bus priority if required)

**Rail services:**

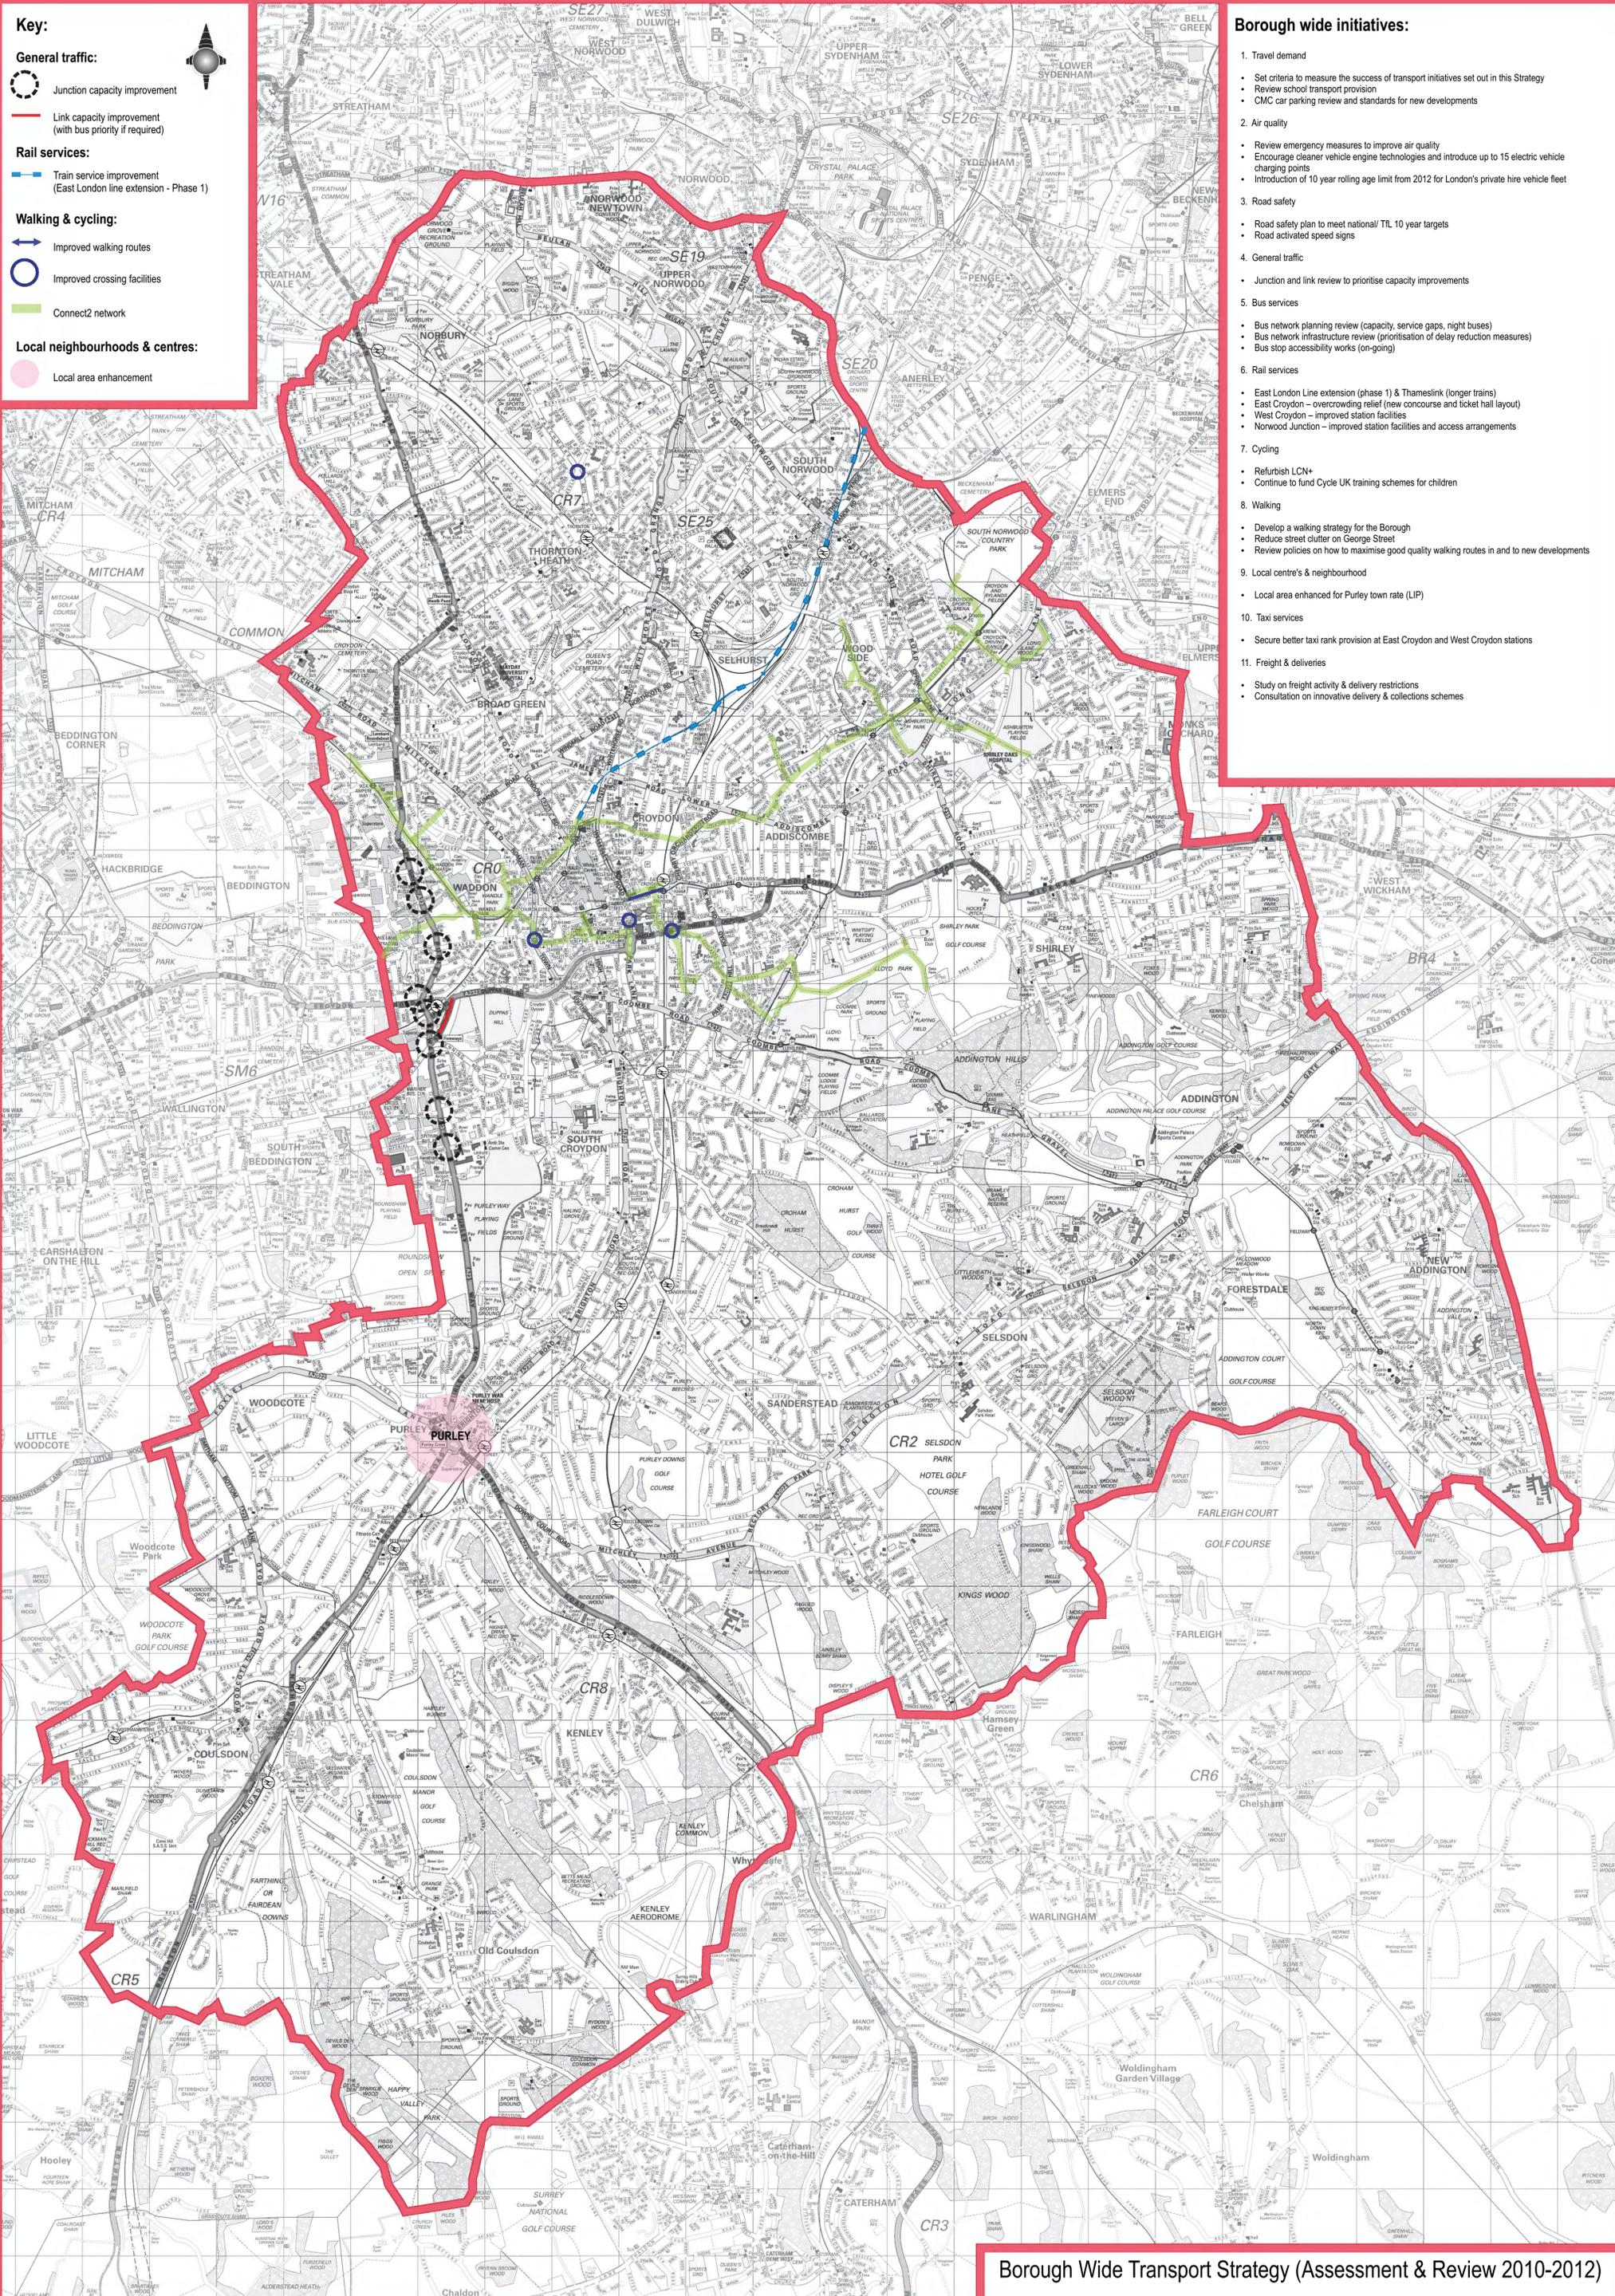

- Train service improvement (East London line extension - Phase 1)

**Walking & cycling:**

- Improved walking routes
- Improved crossing facilities
- Connect2 network

**Local neighbourhoods & centres:**

- Local area enhancement

- Borough wide initiatives:**
- Travel demand**
    - Set criteria to measure the success of transport initiatives set out in this Strategy
    - Review school transport provision
    - CMC car parking review and standards for new developments
  - Air quality**
    - Review emergency measures to improve air quality
    - Encourage cleaner vehicle engine technologies and introduce up to 15 electric vehicle charging points
    - Introduction of 10 year rolling age limit from 2012 for London's private hire vehicle fleet
  - Road safety**
    - Road safety plan to meet national/ TL 10 year targets
    - Road activated speed signs
  - General traffic**
    - Junction and link review to prioritise capacity improvements
  - Bus services**
    - Bus network planning review (capacity, service gaps, night buses)
    - Bus network infrastructure review (prioritisation of delay reduction measures)
    - Bus stop accessibility works (on-going)
  - Rail services**
    - East London Line extension (phase 1) & Thameslink (longer trains)
    - East Croydon – overcrowding relief (new concourse and ticket hall layout)
    - West Croydon – improved station facilities
    - Norwood Junction – improved station facilities and access arrangements
  - Cycling**
    - Refurbish LCN+
    - Continue to fund Cycle UK training schemes for children
  - Walking**
    - Develop a walking strategy for the Borough
    - Reduce street clutter on George Street
    - Review policies on how to maximise good quality walking routes in and to new developments
  - Local centres & neighbourhood**
    - Local area enhanced for Purley town rate (LIP)
  - Taxi services**
    - Secure better taxi rank provision at East Croydon and West Croydon stations
  - Freight & deliveries**
    - Study on freight activity & delivery restrictions
    - Consultation on innovative delivery & collections schemes
