

# The Croydon Monitoring Report

## Conservation Areas and Management Plans

*March 2023*

## **Conservation Area Appraisals and Management Plans (CAAMPs)**

As identified in the Council's Local Development Scheme, Croydon Council is in the process of ensuring that all of the borough's conservation areas have a Conservation Area Appraisal and Management Plan. Bradmore Green Conservation Area still requires a Conservation Area Appraisal and Management Plan. The Webb Estate and Upper Woodcote Village CAAMP is inconsistent in style to others in the borough and initial evidence gathering has been undertaken to bring forward a new document. During the past monitoring year, work has been undertaken to prepare a new Area Management Plan (CAAMP) for the South Norwood Conservation Area. Consultation on the draft CAAMP for the South Norwood conservation area took place and the CAAMP was adopted as a Supplementary Planning Document at the Council on 25 July 2022.
