

GREENLAWN MEMORIAL PARK

Greenlawn Memorial Park has been managed by the London Borough of Croydon since 1947 and is based on an American style 'Lawn Cemetery'. To maintain this appearance memorial options are limited to flat tablets. This creates a pleasant visual effect of a continuous area of lawn and permits both an economic and high standard of maintenance to be achieved, the major benefit of this is that grave-owners are relieved of all maintenance responsibilities and liabilities.

The Council supplies black granite tablets in a range of sizes and prices; the inscription is highlighted in silver enamel paint, without a border.

You may wish to source your own supplier and you can contact the Cemetery office for further information regarding regulations; in which case your mason will need to submit a permit application, signed by the grave owner, to the cemetery office. Please note that unauthorised memorials will be removed.

TYPE OF GRAVES / MEMORIALS AVAILABLE:

- **Full Graves** – Provided that instructions are given at the time of the first burial, the grave can be prepared to accept a maximum of 3 coffin burials. Any grave excavated to a depth greater than that required to accommodate more than 2 coffin burials attracts an additional fee for each additional depth required. Cremated remains can also be interred in Full Graves.
- **Cremated Remains Graves** – Part of the cemetery, known as the Rest Parks, have been set aside purely for the interment of cremated remains. These small graves can accommodate a maximum of 4 urns or caskets and are available irrespective of the place of cremation or residence of the deceased.
- **Vase Block Memorial:** We are now able to offer Vase Block Memorials in the Sanctum Vault area. These are bronze memorial plaques placed on the border of the flower beds around the Sanctum Vault area. They are mainly purchased by people who are seeking a memorial in their local cemetery when their loved ones have been laid to rest elsewhere. The bronze plaques are similar to those placed on the Sanctum Vaults. They are provided with a flower container and leased for an initial period of 15 years. Please contact the cemetery office for further information.

FEES: A table of current fees and charges is available from the Cemeteries Office on request.

The Exclusive Right of Burial has to be purchased for a new grave (commonly known as buying the grave). This right is for a period of 50 years and is renewable on expiry, as the Law currently stands. In addition to this a fee is payable when each burial takes place.

OPENING TIMES

The Cemetery is open every day of the week from 9:00am – 5:00pm during the winter months and 9:00am – 7:00pm during the summer months

MEMORIAL TABLETS

Greenlawn Memorial Park is based on an American style lawn cemetery. To maintain appearance memorial options are limited to flat tablets only.

(Illustration of a Granite Tablet)

- **Full Graves:** Two sizes of Tablets are available: 30cm x 30cm (12" x 12") or 60cm x 30cm (24" x 12"). You can have up to a maximum of twelve 12" x 12" tablets or six 24" x 12" tablets, or a combination of the two sizes. It is therefore possible to add another Memorial Tablet to commemorate each subsequent burial. Alternatively, an existing tablet may be removed and a new tablet incorporating more than one inscription can be supplied.
- **Cremated Remains Graves:** Only 1 tablet, sized 45cms x 30cms (18" x 12") is permitted on each grave. Subsequent burials are commemorated by substituting the existing tablet with a new Tablet which may incorporate the previous inscription.

Up to eight lines of inscription are included in the price for each tablet, dependent on size of characters. Any extra lines will be charged at an additional fee. A motif can also be added for an extra fee, for any size Granite tablet. There are many choices available but if a personal motif is required and individually designed, a bespoke price will be obtained from the Mason. Artistic license is given to the Mason to design or alter the layout if necessary.

Each tablet is inscribed with lettering being highlighted in silver enamel paint to a very high standard.

RECOMMENDED MAINTENANCE OF TABLETS – Please note: Any maintenance outside of the recommendations could invalidate your guarantee.

No specific maintenance is required, but if you wish to clean the memorial tablet, the manufacturers recommend that on a fine day you wipe the plaque with a soft cloth and a little water. Dry the memorial thoroughly. Do NOT use an aerosol spray or brush, as this will damage the memorial lettering. Under no circumstances should an abrasive polish be used. If you have further enquiries please telephone the Cemetery Office on 020 8684 3877 or alternatively you may use the Freephone located in the Waiting room at Greenlawn Memorial Park.
