

Housing Strategy Consultation.

This short summer newsletter is to let Croydon landlords and property agents know about our live consultation on the Croydon Council Housing Strategy 2023 – 2028.

We've outlined five priorities, each with specific objectives and through the survey, we would like to hear your feedback on them.

The strategy consultation was announced on the 9th July 2023 and further information is available using this [link](#). Please act quickly if you would like to participate. The survey will close on 26th July.

The draft priorities and objectives, alongside key statistics on housing and housing need in Croydon, are available using the link above.

The draft priorities and objectives will provide the overarching strategic direction for existing projects, such as the regeneration of the Regina Road estate and detail how we will achieve the council's vision of creating great homes, places and communities to enhance life opportunities.

Feedback received will help us to develop a draft of the strategy that will go to cabinet in September 2023 for review.
