Croydon Council Allotments

Allotment gardening provides a wide range of benefits to communities and the environment. It is also a considerable source of joy for gardeners and can provide you with an abundance of fresh produce and exercise.

A full allotment plot is approximately 250 square metres and is considered to be able to feed a family of four all year round. However, a half plot (125 square metres) is recommended as a good starting point for people new to allotment gardening.

Allotment gardening is popular and there is a high demand for growing space so expect to wait for a plot to become available. The length of time you wait depends on the time of year, size of site, plot size you request and popularity of each site.

Waiting times currently range from 10 weeks to 2 years. We are unable to inform applicants of how long they can expect to remain on a waiting list before they are offered a plot. Allotments usually become available because of a tenant giving up a plot or if a tenancy has been terminated due to a tenant breaking the rules. As a result, it is not possible to accurately predict when plots may become vacant.

5 How to become a ploholder

You need to live within the administrative boundary of the London Borough of Croydon and be a minimum of 18 years of age. Proof will be required for all new tenancies.

To apply for a plot, please complete the application form at the end of this document. Applications can also be made online on our website.

Our Allotments management follows equalities policy. Plots are rented out on a first come first served basis, without preferential treatment to eligible applicants. If you have enquiries about accessibility or other equalities issues, please contact allotments@croydon.gov.uk.

The Independent Allotment Societies manage their own applications and waiting lists. To apply for a plot with an Independent Allotment Society please contact them directly. For further information please visit our independent allotment societies section in our website.

6 Waiting lists

You can join up to two waiting list of Croydon Council managed sites. Please consider the travel time required between the allotment site and your home when selecting your prefer site.

From 1 October 2019 offers will be limited to a maximum of one full plot (or smaller plots equalling one full lot) per household. This includes plots on multiple Council sites.

We will contact you when you are top of a list and a plot becomes available. It is not possible to accurately predict how many plots may become vacant during any given period and this may vary between sites.

6.1 Information for applicants after joining a waiting list:

It is the responsibility of the applicant to keep Croydon Council informed of up-to-date contact details.

Please note you are at risk of losing your place on the waiting list if

- You cannot be contacted due to incorrect or out of date contact details being provided.
- You do not respond to invitations to view plots.
- You view and reject two offers of plots.
- You are sent a tenancy agreement for an allotment plot and do not return a signed copy of this within 14 days of the date on the agreement. This will be considered as a refusal of the offer and the plot will be offered to the next person on the waiting list.

If a change of circumstances prevents you from accepting a plot when offered, please discuss this with the allotment society and write to allotments@croydon.gov.uk

You can apply to return to the waiting list if you choose to do so.
