## Future Local Development Framework programme

### Local Plan Partial Review

The Town and Country Planning (Local Planning) (England) (Amendment) Regulations 2017 introduced (as of 6<sup>th</sup> April 2018) a requirement to review Local Plans within five years of the adoption of the last local plan. As the Croydon Local Plan 2018 was adopted on the 27<sup>th</sup> February 2018, this means that a review of the Croydon Local Plan had to commence by 27<sup>th</sup> February 2023 and work is already underway.

The review does not need to be a full review, so, as the Croydon Local Plan 2018 was only adopted in February 2018, the Local Plan review will consist of a partial review of those policies most affected by the new London Plan (2021) and the National Planning Policy Statement (2023).
