

REGINA ROAD ESTATE Design consultation events

your
VOICE
matters

Croydon Council is set to redevelop the Regina Road Estate with brand-new, high-quality homes.

Croydon Council is excited to place local residents and stakeholders at the heart of the Regina Road Estate redevelopment. Join us at one of our design consultation events to help shape and inform a planning application to be submitted later this year. Your input is invaluable, and we warmly invite you to come along and have your say at one of three consultation events.

Turn over to find out more about our three consultation events!

If you are not able to attend our events, consultation materials and a survey will be made available on the Council's website during July 2024.
