

Christmas memorial service

**Sunday 8th December 2024
2.15pm Crematorium East Chapel
Croydon Cemeteries & Crematorium**

You are invited to join us at the Croydon Crematorium for our annual Christmas memorial service. Remember your loved ones and celebrate the lives of those dear to us at this special time of year. After the service, refreshments will be served along with the dedication of the tree and star decorations, followed by a release of doves in memory of our loved ones this Christmas.

The service lasts 45 minutes, there is no charge, and all are welcome. We will try to provide seating for all but would ask those able to stand to offer their seat to someone less able if needed.

Please contact the crematorium office to let us know you wish to attend.
