Local Plan Partial Review

The Town and Country Planning (Local Planning) (England) (Amendment) Regulations 2017 introduced (as of 6th April 2018) a requirement to review Local Plans within five years of the adoption of the last local plan. As the Croydon Local Plan 2018 was adopted on the 27th February 2018, this means that a review of the Croydon Local Plan had to commence by 27th February 2023 and work is already underway.

The review does not need to be a full review, so, as the Croydon Local Plan 2018 was only adopted in February 2018, the Local Plan review will consist of a partial review of those policies most affected by the new London Plan (2021) and the National Planning Policy Statement (2023). Details of the Local Plan Partial Review are contained in the table below:
