. b) The prevention of crime and disorder * Briefings for staff and contractors will cover local area familiarity, minimizing resident disturbances, handling security incidents, and working with police on prohibited item encounters. Engagement with the local community and ward councillors is planned to maintain open communication and address any concerns.

c) Public safety *

To address violence against women and girls, a Vulnerable People Training Package provided by the Police will be mandatory for all staff, contractors, and vendors. SIA trained security personnel will be present to ensure a safe environment. Alcohol consumption will be restricted to within the event perimeter, and security will ensure that all drinks are disposed of before attendees exit Norbury Park.

d) The prevention of public nuisance *

Trained traffic wardens/security will be hired to guide attendees to park in designated areas within Norbury Park, avoiding disruption to local residents. Toilets and waste bins will be strategically placed in the park. This arrangement aims to contain litter and urination within the park in approved areas. Additionally, SIA-trained security personnel will be stationed in these specific locations for added safety and order.
