### Summary of the Home Contents Insurance Policy

Key Benefits and Exclusions.

- Covers loss or damage to your contents caused by specific events such as, theft, water damage, fire and many more household risks.
- Covers theft or attempted theft of contents in sheds, outbuildings and garages that form part of your home (up to £3,000).
- We will pay up to £500 for replacement and installation of locks for outside doors or windows and alarms, if keys are lost or stolen.
- Accidental damage to TV's, aerials fixed to your home, home computers, home entertainment equipment and home working equipment.
- We will pay up to £500 for loss of or damage to food in a fridge/freezer but we do not cover damage caused if the electricity supplier deliberately cuts of the supply to your homes.
- Tenant's liability – We will pay up to 35% of the contents sum insured for damage to your landlord's fixtures and fittings which you are legally liable for as a tenant. There is no cover available if your home is unoccupied for more than 60 days in a row.
- Your home contents will be covered on a 'new for old' basis, meaning if something gets damaged or lost, we will replace the item as new. The only exceptions are linen and clothing, which will be replaced at their current value minus wear and tear. When figuring out your insurance cost, you need to calculate how much it would cost to replace everything as new.
- Sums insured start at £10,000 for all tenants.
- There is no excess to pay in the event of a claim.

### Extended Accidental Damage Cover

Extended accidental damage cover is included as standard.

Full details of the policy cover and exclusions are available on request before you apply for cover. Enclosed with this application pack is An Insurance Product Information Document.
