ROAD TRAFFIC REGULATION ACT, 1984  
SECTION 23

PROPOSED AMENDED ZEBRA CROSSING  
THE GLADE, CROYDON

Croydon Council HEREBY GIVES NOTICE that they propose to amend an existing zebra crossing, as specified in the Schedule to this Notice, to provide safe crossing facilities and improve road safety for pedestrians.

The general effect of the zig-zag markings will be to prohibit all vehicles from stopping on the markings for any reason and to improve road safety by aiding pedestrians to cross safely. The markings are proposed to be extended as detailed below, to provide clear visibility to the approaching driver for any pedestrian waiting to cross.

**Schedule**

**Proposed Amended Zebra Crossing**

The zig-zag markings of the existing crossing outside Monks Orchard Primary School, The Glade, are proposed to be lengthened by 12.5 metres on the south-west (odd-numbered) side of the road, to mirror the zig-zag markings on the north-east (even-numbered) side. This would extend the markings across the frontages of Nos. 253 and 255 The Glade.
