

ROSE GARDEN MEMORIAL

Roses have been planted in our Gardens of Remembrance for dedicated memorial purposes.

These roses are maintained by our Grounds Maintenance Team.

Different varieties of bush and standard roses have been planted throughout the Gardens of Remembrance. Dedications for this memorial are for an initial period of **seven years**.

A choice of dedication style is available on the memorial plaque. Dependent on your requirements, you can have up to six lines of text for your dedication and a motif on the plaque inclusive in the applicable fee. The plaques are made of a composite material that resembles polished marble.

The purchase of a rose memorial plaque entitles you to place it at the base of a pre-planted rose bush or rose tree within our Garden of Remembrance. A second plaque may also be placed beneath the rose for the remainder of the unexpired dedication period (additional fees apply).

Prices are on application.

Staff are available, by appointment, at the Crematorium office to give further assistance and sample plaques can be inspected. Fees are as stated on the current price list. Please send your fee payable to London Borough of Croydon with your order form (copies are accepted). Ownership of this memorial will be registered to the person who has ordered the dedication. No further inscriptions or additional plaques will be permitted without the consent of the owner.

Please note:

The laying of cremated remains at a new Rose memorial is not permitted.

Please note: The placing of flower containers, potted plants or floral tributes in containers is not permitted on the rose beds. The planting of bulbs, flowers, shrubs etc around the roses is not permitted. Any unauthorised memorabilia will be removed without prior notice and kept for collection for a short period of time; if not claimed within one month of removal the items will be disposed of.
