

## Neighbourhood Planning Process Map

### What Support is available from the council?

- For Croydon, the process will be instigated by a Neighbourhood Forum which the council will formally consider and determine.
- The council will formally consider and determine Neighbourhood Areas.
- The council will provide proportionate technical advice and support in this phase.
- The council can offer advice on best practice in community engagement.
- The council will check conformity of the NDP (or NDO) against the Core Strategy, London Plan, regulations and legislation.
- Assuming it considers conformity has been achieved, the council will arrange and pay for an independent Examination.
- The council will arrange and pay for a Referendum on the NDP (or NDO) should it be found fit for adoption.
- If agreed by a majority, then the council will formally adopt the NDP (or NDO).
- The council will provide guidance and advice proportionate to funding and services available.
