	<p>The FJC is a key aspect of the Community Safety Team, Community Services. The overall direction of the centre is the responsibility of the Family Justice Centre Executive, including colleagues from across the Council and our partner agencies. Croydon FJC is now recognised as place where safety of victims of family violence, domestic violence and elder abuse is the highest priority. The FJC will continue to work collectively as a team, with a shared aim of meeting the needs of every victim of family violence in Croydon.</p> <p>The Centre provides comprehensive 'wrap around' services for victims of domestic violence/family violence in one location. It has rapidly developed into several associated areas and now additionally responds to honour based violence, child sexual exploitation, forced marriage, child abduction, female genital mutilation, trafficking and elder abuse.</p>
