Conclusion on the Authority's arrangements to secure value for money through economic, efficient and effective use of its resources

In our audit report for the year ended 31 March 2016 issued on 29 September 2016 we reported that, in our opinion, in all significant respects, the Authority had put in place proper arrangements to secure value for money through economic, efficient and effective use of its resources for the year ending 31 March 2016.

Certificate

In our report dated 29 September 2016, we explained that we could not formally conclude the audit on that date until we had completed the work necessary to issue our Whole of Government Accounts (WGA) Component Assurance statement and we had issued our opinion on the Pension Fund financial statements included in the Pension Fund Annual Report of the London Borough of Croydon Pension Fund. We have now completed this work and our opinion has now been issued.

No matters have come to our attention since that date that would have a material impact on the financial statements on which we gave an unqualified opinion and conclusion on the Authority's arrangements for securing value for money through economic, efficient and effective use of its resources.

We certify that we have completed the audit of the financial statements of the Authority in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office on behalf of the Comptroller and Auditor General.
